Dear Camper & Parents,

We want to welcome you to Chaparral High School Basketball! We are excited for the future of the program and youth camps are just the beginning of becoming a successful basketball player for the Chap Wolverines.

Our camp will be run by our Chaparral High School Basketball family including coaches, alumni, and our players sharing a wealth of basketball knowledge. The camp allows the opportunity for you to work with coaches who may be instructing you later on in high school. You will be able to learn what it takes to be successful on the basketball court during your sessions.

We feel that maintaining a winning program encompasses all basketball players involved from the lower levels up. Chaparral Youth Basketball Camp is one of the first steps in helping you develop your basketball skills and a winning attitude.

We look forward to meeting and working with all of you the week of June 14-16.

Your Chaparral Basketball Staff
