

E.P.I.C

Stallions, there's no need to feel glum
I said stallions, show enthusiasm
I said stallions, put a smile on and come
to your school - every - day - happy

Stallions, keep on pluggin' away
I said stallions, do your best everyday
I said stallions, take a risk, take a chance
And you'll prove- your- per- se- ver- ance

Keep that smile on your face, you'll succeed at fast pace...
and you will live your life with such grace

Stallions, what do you want to be?
I said Stallions, show some integrity.
I said stallions, always do the right thing
Cause we value your honesty.

Stallions, where do you want to go?
I said stallions, anything's possible
I said stallions, be courageous and strong
And you'll find it won't take too long
