

Dear Cherokee Trail Elementary School,
Thank you so much for being a part of
Chabarral's Wish Week this year! We are so
thankful for you, giving us the opportunity
to come into your school and share about Wish Week.
You have gone above and beyond in your
investment in Wish Week to help make it a
success. Through your love and support you have
made a huge difference in Jakob's life and the
lives of the people in our community. Thank
you for promoting wish events to your families,
hosting wish events, and raising money and
awareness. With your help we were able to raise
\$83,431.31 and grant a total of 11 wishes.

Sincerely,
Anna Lipowitz and Chive Crossant
